First Class Requirement 5c1

"Describe at least 3 natural indicators of impending hazardous weather."

_____ Name

Note: The answers to this quiz can be found in the Scout handbook. Look for the "Other Weather Signs" section as shown in the snapshot below. Depending on edition, you may find it on page 217. This requirement is about the "Stormy-Weather Signs."

1. **"Red sky at morning, sailor take warning."**
 Why is this a good indicator of bad weather? What's the science?

2. **"Swallows flying near the ground means a storm will come around."**
 Why is this a good indicator of bad weather? What's the science?

3. **"If smoke hangs low, watch out for a blow."**
Why is this a good indicator of bad weather? What's the science?

4. **"When grass is dry at morning light, look for rain before the night."**
Why is this a good indicator of bad weather? What's the science?
